Community Feedback

Feedback from some of the TEDxScotlandville attendees sent to us by TED.com

“The presenters actually represented the community in which I live and spoke to issues we are concerned about”

“Enjoyed the speakers, the food, and the ambiance.”

“The organizers were amazing and produced a very good show and upheld the TedX standard. I enjoyed it all from start to finish”

“It was a well organized event with wonderful Speakers.
Very fun and inspiring”

Community Feedback

Feedback from some of the TEDxScotlandville attendees sent to us by TED.com

“Historical event. Provocative Speakers!”

“It was extremely informative”

“Event (was) well put together, speakers were excellent.”

“Queen, Hakeem and the entire team were amazing. I would with out hesitation recommended them. The event was informative and managed very well.”

On behalf of our entire team at TEDxScotlandville, the Community of Scotlandville, and the North Baton Rouge surrounding communities, we would like to thank you for helping us make history!

With Metromorphosis' partnership, we were able to host Louisiana's only live TEDx event to date in 2021, and the first ever in North Baton Rouge!

All 14 speakers were amazing, with talks ranging from activism to biological research.

Metromorphosis' logo was prominently displayed on the screen throughout the event. This includes all printed collateral, and marketing verticals including the event T-Shirt, passes, flyers, press release, and social media outlets. When each video is approved by TED, the intro will include Metromorphosis' logo along with all our amazing partners.

Thank you again for helping us make History!

Looking forward to working with you again for next years event!
